Dear Mr. Puri,

Thank you very much for your cooperation during the January 2006 congressional delegation to India for myself and staff. The trip was informative, productive, and brought to light many of the mutual interests India and the United States share. We especially appreciated USIBA's assistance in arranging the meeting with the Minister of Commerce.

I look forward to a continuing dialogue with you regarding our mutual security and economic interests. Please do not hesitate to contact me with your thoughts on U.S.-India cooperation in the future.

Sincerely

Christopher S. Bond
