Dear Sanjay:

Thank you for all of your hard work and planning during my recent trip to India. The Bollywood party was fantastic! I was able to connect with the top executives in India's film industry, and I do believe that many of those executives will seriously consider the Commonwealth as a destination when shooting their films in the future.

I certainly appreciate you taking the time to accompany me on my first trade mission to India and for sponsoring the trade mission briefing on May 24. I hope that we will continue to work together on upcoming projects, and I look forward to seeing you again soon.

Sincerely,

A handwritten signature in cursive script that reads "Mark R. Warner".
