

Fostering Entrepreneurship Through Mentoring, Networking and Education

October 1, 2007

Dear Geetanjali, Anu, Surinder & Robinder,

On behalf of TiE-Carolinas, I congratulate you upon the successful completion of our joint business delegation to India. My sincere gratitude to each and every one of you for helping orchestrate a great experience for our delegates last week.

Thanks to your collective efforts, it went without hitch for the most part and certainly smoother than I expected, despite the traffic's best efforts to impede our progress. I realize that your passion and personal commitment is what has allowed this trip to be a success.

I will send out a survey to obtain feedback from the delegates and submit it to you with my own thoughts and ideas. I also intend to write up my suggestions from a "best practices" perspective that may be of help for similar delegations in future.

Please feel free to contact me if I can ever be of assistance to you.

Sincerely,
